The Messiah was expected to free the Jewish people from oppression, and restore the freedom and holiness of their nation. Jesus instead reveals that the Messiah will suffer, die and be raised from the dead, and that true discipleship requires self-denial and sacrifice. Understanding this, let us take up our cross each day and follow Jesus.

**Dear Parishioners:** Well, thank God it's at last starting to feel like April! As we witness the devastation in Alberta/Saskatchewan, the flooding in Paris, I'm sure that the “new normal” in weather will take some getting used to. Like the swallows returning to Capistrano, the return of the wedding season is a sure sign of hope: pray for all our young couples as they begin to live the sacramental life of Christian marriage. My thanks & congratulations to everyone at St. Boniface School for their joy-filled celebration of our **patronal feast day** (I'd've been more present, but Fr. Peter showed up, ready to make supper! I guess the road to Hell really is paved with good intentions)! I'll be at a Life in the Spirit Seminar celebration at Holy Family Parish in London today (Sunday), which many members of our own Double Measure Prayer Group have assisted with over the past year: how wonderful to see our parishioners “branching out” & doing such fruitful ministry in neighbouring parishes – well done! There is so much **inspiration out there:** I would like to start a feature on our parish website that lets us post the best of our Catholic Christian faith – both in words & deeds. So many people send me great material & news of great accomplishments; all this Good News deserves more than to just sit in my in-box. Our **Tuesday Bible Study Group** continues in their efforts, and I hope to post the best of their questions – and discoveries – also on the website. We need as much in-spiration (i.e., to be filled with the Holy Spirit of God) as possible in these days of lawlessness around Medical Aid in Dying (euthanasia): at the deanery meeting, there was lots of interest in holding an information session around our healthcare professionals being conscientious objectors, and how we as Canadians could support them. I hope to organize an event that will be open to all: pray for everyone involved with our nation’s health, that we might be true healers, and enter into the pain & suffering of others like Christ our Lord, and not simply write off our suffering brothers and sisters. Share God’s Spirit (inspire) with someone this week! God bless.  

**Fr. Matt**

New Week is the Priests’ Pension Collection for Retired Priests
Retired priests of the Diocese of London receive a monthly pension from the St. John the Evangelist Priest Pension Fund Society. Similar to the challenges that face more pension funds, there are a greater number of retired priests today who are living longer lives than was anticipated just a few decades ago. As the number of retired priest’s increases, the pension fund needs to grow to meet future needs. The Priests’ Pension Collection allows each of us to show our gratitude and support for priests who have faithfully served our parishes and cared for us and our spiritual needs. Prayerfully reflect this week on how you can best respond in support of the needs of our retired priests. Use the special collection envelope for the Priest Pension Fund Collection. Please return it in the collection next weekend or drop it off at the parish office.

Room2Grow
Room2Grow has many testimonies on the positive changes these young people have made. All they really needed was to feel loved and supported - many for the first time. They value our honesty and the fact that they know we are there for them because we want to be. We have shed many tears together and had many moments of sheer joy. We educate them on what can be done to become better parents, and not to follow the cycle of the dysfunction they grew up with.
